### ***Sisterhood....Many Hearts, One Purpose.***

*We invite you to join our Sisterhood and help keep our Sisterhood family vibrant and strong. We look to our longtime members for their wealth of experience and wisdom that they have to offer. We look to our new Sisterhood members for their energy and enthusiasm. We encourage our past members whom we have not seen in some time, to rejoin our Sisterhood and see all that we have to offer.*

*We anticipate an exciting year filled with new programs, fundraising, continued social hall improvements and the satisfaction of making a difference in our community.*

*Even if you cannot commit time to Sisterhood, remember your dues help to further our mission and obligations. Our dues also help support the YES Fund ([www.wrj.org/our-philanthropic-impact/yes-fund](http://www.wrj.org/our-philanthropic-impact/yes-fund)); WRJ National; and WRJ Northeast District.*

*We look forward to and count on your ongoing support.*
